Subject: So Tech MOE TCCA Supplement initial approval

Dear Stefán,

Based on the documents provided and the review of the TCCA Supplement Revision 0, dated 21 August 2018, and Revision 30 of the MOE, the Supplement has been approved. We are glad to confirm that your TCCA approval has been granted accordingly and the following TCCA Number has been assigned: 818-13.

The TCCA scope of work shall not exceed that which is specified in your EASA IS.145.013 scope of approval.

Please be aware of the renewal process every 24 months.

Should you have any further inquiries, do not hesitate to contact your assigned inspector.

Best regards

Ómar Þór Edvardsson
Head of Airworthiness and Registration Section
